

What to Expect Patient Advocate Designation For Young Adults

STEP 1

Create an Account or Sign-in: Click on “create an account” and enter a valid email address and password. If you already have an account, sign-in with your MI Easy Forms account email address and password.

STEP 2

Gather the following information:

Your Legal Name and Email.

The name of the person that you want to designate as your Patient Advocate to make medical decisions if you are unable to participate in those decisions.

The name of the person that you want to designate as your Successor Patient Advocate if your first choice is unable or unwilling to fulfill the duties. (Not required, but recommended)

Your Medical Information. List of any known allergies. List of diagnoses for any medical conditions and the treatment you are under.

STEP 3

Complete the questionnaire.

STEP 4

Make a payment: Enter your email and credit or debit card information.

STEP 5

Print or review the instructions and make any necessary changes to your questionnaire. If no changes are needed, print your documents, follow the instructions, and then sign in front of a notary. You will be given step-by-step instructions on how to complete this process.
